Trio Plans Concert At College

E1 Camino College will present the musical trio of Stern-Rose-Istomin Friday at 8:30 p.m. in the college auditorium.

Each member of the trio is a virtuoso soloist in his own right.

Isaac Stern maintains a full schedule of violin solo appearances here and abroad.

Leonard Rose, formerly first cellist of the NBC Symphony and the New York Philharmonic Orchestra, has led a distinguished career as a solo performer since 1951.

Eugene Istomin first won international fame at the Casals Festival in Prades, France, in 1950 and since has been regarded as one of America's foremost pianists.

Stern, Rose, and Istomin first played together as a trio at the Israel Festival of 1961. Since that time, they have scheduled an increasing number of performances yearly.

Tickets are available at the college bookstore and at mutual ticket agencies.

Guess who Syd and Gladys ran into the other day?

4 IN HEAD-ON CRASH ON U.S. 58
A head-on collision on U.S. 58, just west of Oakdale took the lives of two local couples late yesterday afternoon. Occupants of the east-bound auto were Mr. and Mrs. Henry Sherwood of Oakdale. The driver of the

Hank and Marilyn.

Your best chance to head off a "head-on" is to think negatively. Assume that behind every oncoming truck or car there's a good guy about to make a bad mistake. And, be prepared to get out of his way if he does.

Whenever, wherever you drive . . . drive defensively. Watch out for the other guy. It's the best way there is to watch out for you.

Watch out for the Other Guy.
